Sonja,

The [REDACTED] case is in session and might be a plea, but it's far from a certainty. The lab number is [REDACTED]. If it goes it'll be early/mid next week. Let me know if you have any issues with appearing then. I'll be in touch when I learn more. Thanks,

Tony

Did you happen to get a chance to check the lab number yet? Thanks.

Hi Tony-

I just received the summons for the [REDACTED] case and, once again, there aren't any cert numbers on it. I looked up the defendant and came up with 1 match, but it is a 2011 submission and the docket is from 2012. Thanks.
